

RCP Mentorship day for CESR Champions & SAS Tutors

Organiser: Dr M K Shashidhara
Facilitators: Royal College of Physicians Mentorship Educators Team

RCP CPD 5 CREDITS

Venue

Premier Inn Manchester Piccadilly
72 Dale St Manchester M1 2HR

Objectives of the programme

Number of Places: 25

This is specifically designed to cover the following

- Define the role of a mentor in relation to CESR Process
- Consider the skills and qualities of an effective CESR mentor
- Outline the basic principles of a successful mentoring relationship
- Use appropriate practical techniques, including expectation setting and reviewing, to establish and sustain an effective mentoring relationship in relation to CESR
- Manage and consider ethical dilemmas that can arise in mentoring relationships
- Discuss a variety of mentoring models and how they can be utilised in practice while doing CESR one to one or online meetings
- Reflect on your own personal development needs as a mentor
- Develop a network opportunity for mentors and facilitate next steps planning.

Please join the day and encourage your CESR champions & SAS tutors to join the day.
