## **Clinical Leadership Programme for SAS Doctors Organised by Stockport NHS Foundation Trust**

**September 8<sup>th</sup> & 9<sup>th</sup> 2021**

**Virtual via Microsoft Teams**

We are pleased to offer a two-day virtual leadership course for SAS doctors (12 CPD points) who wish to extend their understanding of clinical leadership and management as part of their professional development.

The overall aim of the course is to provide understanding of clinical leadership and management in today's healthcare system, and to equip participants with knowledge, skills and attributes to enable them to be more effective in their roles.

The virtual course is interactive and includes exercises and small group discussions. A great opportunity to network and gain peer support from other SAS doctors.

This course will focus on:

- ▶ the NHS structure, policy and finance
- ▶ creating an appreciation of how SAS doctors can contribute effectively to leadership and management in the NHS
- ▶ enhancing personal effectiveness through a menu of leadership and management skills and techniques
- ▶ exploring the special contribution of the SAS doctor and gaining greater confidence to play an active role in leading clinical services
